- Managed and supervised a team of 50 web development interns, delegating tasks efficiently to ensure all projects were completed on time and within budget, resulting in a 20% increase in project completion rate.
- Conducted weekly feedback sessions with each intern to guide their performance, resulting in a 40% improvement in overall productivity and efficiency within the team.

Web Developer (Intern), GAOTek Inc., Toronto, ON June 2024 - September 2024

- Collaborated with cross-functional teams to implement industry-standard projects, consistently meeting tight deadlines and increasing efficiency by 20%.
- Participated in team projects with other interns to complete significant assignments, surpassing performance expectations and achieving a 100% satisfaction rate from Senior Devs & Management.

Executive UX Designer, Skillto., India February 2023 - June 2023

- Conducted extensive UX Research and requirement gathering, resulting in a 25% increase in user satisfaction metrics.
- Engaged with stakeholders to align business needs with user expectations, leading to a 50% increase in user engagement.

CORE COMPETENCIES

- **Software Development:** Agile Methodologies, Development-Driven Testing, Version Control, Debugging & Problem-Solving
- **Architecture & Integration:** SaaS Architecture Expertise, ML Models Integration, Web Services, Multithreaded Programming
- **Technical Infrastructure:** Performance & Database Optimization, Rapid Prototyping, System Design

SKILLS

Programming Languages: Python, Java, SQL, JavaScript, TypeScript, C++, C#, PHP, Dart
Frameworks/Software Tools: React, Node.js, Next.js, ASP.NET, NoSQL, MongoDB, FlutterFlow, Figma, Adobe Creative Suite
Cloud & Collaboration Tools: Azure (Basic), Vercel, Power BI, Excel, Git, JIRA, Airtable
Soft Skills: Client/Stakeholder Engagement, Team Player, Perceptive, Communication, Result-Driven, Action-Oriented,

CERTIFICATIONS & ACHIEVEMENTS

- **UI/UX, Product Designer** (Certificate of Completion: 2023)
- **Multiple Experience Certificates:** Web Development | Design Lead (Endorsed: GAOTek Inc.)
- **Hackathons:** OSDP UX Hackathon 2023, Conhacks 2025

EDUCATION

Advanced Diploma in IT Innovation & Design, Conestoga, Waterloo, ON Expected Graduation May 2027
Current GPA: 3.96

Diploma in Computer Engineering, GTU, Gujarat, India September 2019 - June 2022
Acquired CGPA: 9.08

PROJECTS

- **EchoMind:** Advanced IVR with Predictive Modeling & NLP (**Ongoing** | Next.js, Python, PostgreSQL, Kubernetes, Twilio)
- **Micro-SaaS Dashboard:** A Niche Analytics Tool (MERN + Vercel)
